

## Regional Training Scholarship

This scholarship allows 9-1-1 Entities in Texas the opportunity to host training courses that provide professional development opportunities for a region.

Approval of Scholarship application will be selected by Current Texas Nena Executive Board.

Criteria:

- Instructors must be in good standing within the Public Safety Sector.
- Course objective must benefit or pertain directly to the 9-1-1 Industry.
- Quote for said training required with application submission.

Scholarship Details:

- Texas NENA Executive Board will review and award scholarship in a timely manner.
- Scholarship amount awarded will depend upon monies available at time of submission.
- Scholarship may only award partial amount requested.

The Scholarship Committee has final responsibility for determining the scholarship recipient for each region.

Application submission does not automatically qualify as approval.
